### **CUTICURA REMEDIES** WORK WONDERS.

"As I was a sufferer with eczema I write to tell you what a great friend I found in Cuticura Remedies. In

six months I had tried three doctors, but did not get any better. It was on my body and on my feet so thick that I could hardly put a pin on me with-F zema. My face was

covered, my eyebrows came out, and then it got in my eye. I then went to another doctor. He asked me what I was taking for it, and I told him Cuticura. He said that was a very good thing, but that he thought that my face would be marked for life. But Cuticura did its work and my face is now just as clear as it ever was.

"My brother-in-law told me about the wonderful Cuticura remedies.
I took his advice and got the Ointment,

Soap and Resolvent. I washed with the Cuticure Soap and then applied the Ointment, and took Cuticura Resolvent as directed. In a short time my face began to get better, and when I had taken one bottle of Resolvent I could brush the scales off my face like a powder. When I had taken four bottles my face was as clear as ever.

"I told all my friends about my remarkable cure. I feel so thankful I want everybody far and wide to know what Cuticura can do. It is a sure cure for eczema. (signed) Mrs. Emma White, 641 Cherrier Place, Camden, N. J., April 25, 1905."

Is not a secret or patent medicine, against which the most intelligent people are quite naturally averse because of the uncertainty as to their harmless character, but is a medicine of enough composition, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure glycerine taking the place of the commonly used alcohol, in its make-up. The "Favorite Prescription" of Dr. Pierce is in fact the only medicine put up for the cure of woman's peculiar weaknesses and allments, sold through druggists, that does not contain alcohol and that too in large quantities. Furthermore, it is the only medicine for woman's special diseases, the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as rewedles for the allments for all the several schools of practice, and that too as remedies for the allments for which "Favorite Prescription" is recom-

## A WONDER WORKER

MARVELOUS DISCOVERY FOR THE CURE OF ALL FORMS OF CONSTIPATION - NOT A HABIT BUT A CURE -YOU DECREASE THE DOSE UNTIL CURED.

After many years of study and practice a physician specialist has discovered the cure for constipation. It is called Chase's

Constipation Tablet.

"I do not mean," said the physician to several of his colleagues announcing his success, "I do not mean just another pill that breeds the pill habit. My remedy is a cure. By gently forcing all the digestive organs to perform their functions it restores them all to health and strength.

"THE MORE, THE LESS."

"The more you take the less you need until you need none-for you are cured. My effort all along was to avoid the evil of the ordinary remedy which pampers organs already weak and so makes the patient a slave to the pill. Remember— Nature expects every organ to do its

duty."
Physicians have long recognized the fact that constipation is at the bottom of nearly every disease. It saps all energy, and makes life a burden; it opens the doors to all evil germs and makes the body too weak to resist them.

#### "THE VELVET WORKER."

This new discovery is in small tablets, easily taken, and they are packed in watch-shape bottles which fit the vest pocket. The tablet is mild, all vegetable, never gripes or injures the most delicate organs. But it does the work! So naturally and soothingly they stimulate and regulate and strengthen that they have been nicknamed "The Little Velvet Workers."

Don't shuffle along with this great bur-den! Be healthy, be strong, be happy.

To any reader who sends us his or her name and address with five stamps to cover postage expenses, we will at once mail a full-size 25-cent bottle of Chase's Constipation Tablets, the worker that cures. Not a sample, mind, a full-size 25-cent bottle. Let us prove it to you. Write to-day, addressing Chase Mfg. Co., Newburgh, N. Y.
